# Training Log

BCS Marathon Kids, this is your personal training log as you run towards the Scott & White Healthplan BCS Kid's Marathon on December 9, 2017. Our goal is for you to run a total of 25 miles between September 1st and December 8th. That may seem like a lot, but over 3 months it is less than 2 miles of running a week. We know you can do it! Ask your parents to help you keep track of your running, and have fun!
